

Dear Parents and Carers

The start to our Summer term has gone well. Reception class did a marvellous job of overseeing the hatching of the ducklings this year, Year 1 had their class trip, Year 2 gave a brilliant assembly, Year 6 made tremendous effort when sitting their SATs and then had a lovely trip to the Hawth Cinema, Year 5 visited the STEM event at Crawley College, and our Come & Share Our Learning event went well when the children's parents and carers joined the classrooms for a morning visit.

The children have embraced our new way of celebrating birthdays, and the children that have chosen to dress in their own clothes for the day to celebrate their birthday have really enjoyed having the opportunity to do so. The birthday assembly has proved to be very popular and a lovely way for the whole school to celebrate everyone's birthdays.

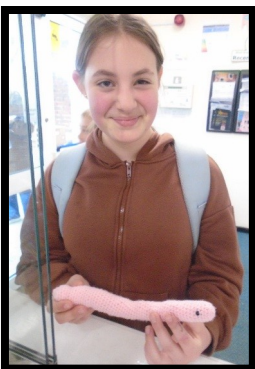

Thank you for all your support once again this term, we do appreciate it. We hope you have a lovely half term break and we will see the children back in school on Monday, 1st June 2026.

## West Green Team

### OUTSTANDING EFFORT

The children have continued with their creative streak this term, here is a selection of some of their lovely work. Well done to everyone!

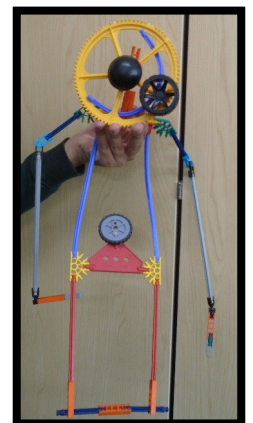

*Some impressive crochet work...*

*..some very detailed sewing from Year 5...*

*...some wonderful engineering...*

### NON UNIFORM DAY FOR 10 LITTLE TOES BABY BANK

We had a non-uniform day in order to collect donations for Ten Little Toes Baby Bank. They are a great charity that provide essential support to many families within our community. Ten Little Toes were very grateful for your help. Thank you to everyone who donated.

**RECEPTION DUCKLINGS**

The children in Reception class have once again done a marvellous job this term in overseeing the hatching of, and then caring for some ducklings. They even helped teach them how to swim. They were so responsible and we are very proud of how well they behaved around the ducklings so that they did not frighten them. Well done to all of the Reception class.

We are very careful to ensure that we source our duckling hatching kit from an ethical source. For more information visit the Incredible Eggs website at [www.incredibleeggs.co.uk](http://www.incredibleeggs.co.uk)

We went from this...

...to this...

...and look at us now!

Thank you for looking after us Reception class (and for teaching us how to swim)!

# SCHOOL COUNCIL

The School Council's Golden Table is going well, and the children love it when their class get to sit at the Golden Table at lunch break. What a great idea our School Council had to make lunchtimes a nicer experience for everyone!

## RECEPTION TRIP TO WASHBROOKS FARM

Reception class had a great time when they visited Washbrooks Farm this term. Here is what their teachers had to say...

*"Reception had 'the best day ever!', on our trip to Washbrooks Farm. We got up close to, and learnt lots of facts about many animals including rabbits, tortoises, goats, horses, pigs, donkeys and many more. Afterwards, we climbed aboard a tractor where we drove round spotting lots more animals. We then had lots of fun and built on our physical skills, by jumping on the trampolines and bouncing pillow, climbing on a pirate ship, exploring an obstacle course and driving mini tractors and bikes. The children were absolutely amazing, and we are so proud of our Reception superstars!"*

**Mrs Whitlock & Miss Delgado - EYFS/Reception Teachers**

**YEAR 1 SEA LIFE CENTRE CLASS TRIP**

Our Year 1 class visited the Sea Life Centre in Brighton for their class trip. Here is an update from their teachers...

*“Year 1 had a brilliant time on our school trip to the SeaLife Centre. We were able to see a wide range of incredible sea creatures and particularly enjoyed putting our hands into rock pools and having lunch with giant turtles and sharks! This is what some of the Year 1 children had to say about it;”*

*“It was fun going under the tunnel and seeing tiny clown fish like nemos and going under the big tunnel and seeing the big fish over our heads.”*

*“It was the best day ever. I loved the sharks and there were jelly fish.”*

*“It was great. Amazing. I touched a shark’s egg and my favourite bit was seeing the leopard sharks.”*

**Mrs Brotherton and Miss Jeffery - Year 1 Teachers**

**YEAR 2 ASSEMBLY**

Year 2 gave a great assembly to their parents and carers. Here is what their class teacher had to say...

*‘Year 2 had their assembly this half term and what a show it was! They read out wonderful writing, shared beautiful art work and became scientists on stage. All the children read so clearly and confidently, really showing how far they have come since starting Year 2. Their singing of a British folk song was so fantastic and definitely made a few adults emotional. What a brilliant show for all, well done every one of you. You made me and the Year 2 team very proud!’*

**Ms Shaw - Year 2 Teacher**

**COME & SHARE OUR LEARNING**

Our parents and carers joined us again for our *Come and Share Our Learning* morning. The children always love showing their parents/carers what they have been learning in school. We had approximately 110 parents and carers join us in school which was brilliant. Thank you to everyone who was able to join us, we do realise that some parents were not able to attend due to work commitments. If you were not able to attend and have any questions about come and share our learning, please speak to your child's class teacher.

**YEAR 5 STEM TRIP**

Our Year 5 class had the opportunity to visit the STEM event at Crawley College recently. They got some fresh air by walking there and back. They behaved very well, this is what their teacher had to say...

*“During the Year 5 class visit to the STEM event, the children had a fantastic time taking part in a range of exciting activities. They solved puzzles, took structures apart and rebuilt them, and enjoyed interactive games that encouraged teamwork and problem-solving. The children also learnt about different hazards, how the human body works, and how to perform CPR. One of the highlights of the day was a competition where they had to guess the number of sweets in a jar, and we were thrilled to have a lucky winner in our class from all the schools that entered.”*

**Mrs Riadat - Year 5 class teacher**

**YEAR 6 SATs WEEK...**

Year 6 took their SATs tests this term, and the effort every Year 6 pupil made did not go unnoticed. Not only did they handle the tests well, they really supported each other during the process

They were treated to a SATs top up breakfast every morning before they sat the tests, and it seemed to do the trick as they went into the SATs with an air of confident calmness. The end of SATs week ended with the children being given their leavers hoodies, and a trip to The Hawth cinema where they had the entire cinema to themselves. What a treat!

Well done Year 6, the hardest part is behind you! Now that the SATs are out of the way Year 6 can concentrate on working on their end of year performance, which we are all looking forward to.

**...FOLLOWED BY A JUNK PERCUSSION WORKSHOP**

Year 6 put their musical hats on and joined in with a junk percussion workshop. They made an incredible sound, and had a lot of fun doing it. They made music out of everyday objects such as brooms, bin lids, water bottles and a host of other items. It was very creative!

Dear Parent & Carers

**Re: Nursery Update**

I am sorry to inform you that the planned provision for a nursery at West Green Primary school is currently unable to proceed as scheduled.

We are working with the support of the Local Authority (West Sussex County Council) to secure a new nursery provider as quickly as possible. The extensive refurbishment works are now complete and will be ready for a nursery provider in the future.

I understand that this news may be disappointing and we appreciate your patience and understanding whilst we work towards a new opening date. As soon as we have more information, we will let you know.

If anyone has any queries regarding nursery or wrap around care provision, please contact [sbm@westgreenprimary.com](mailto:sbm@westgreenprimary.com).

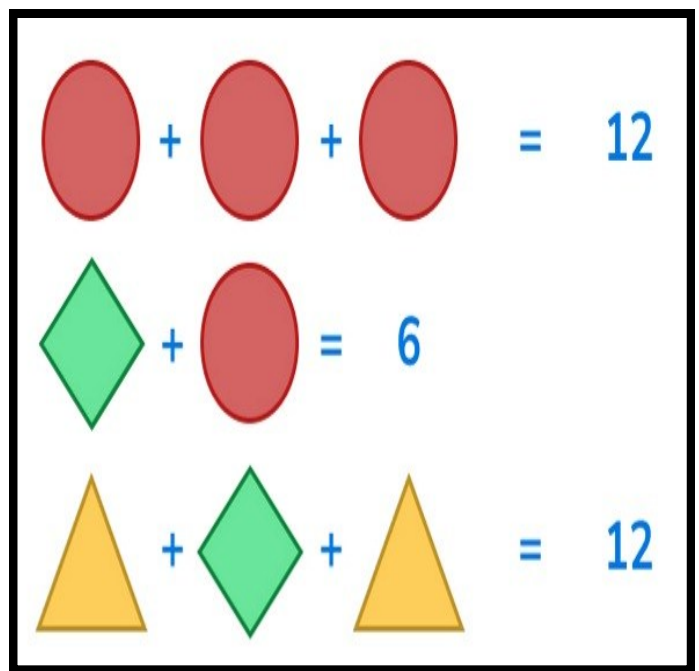

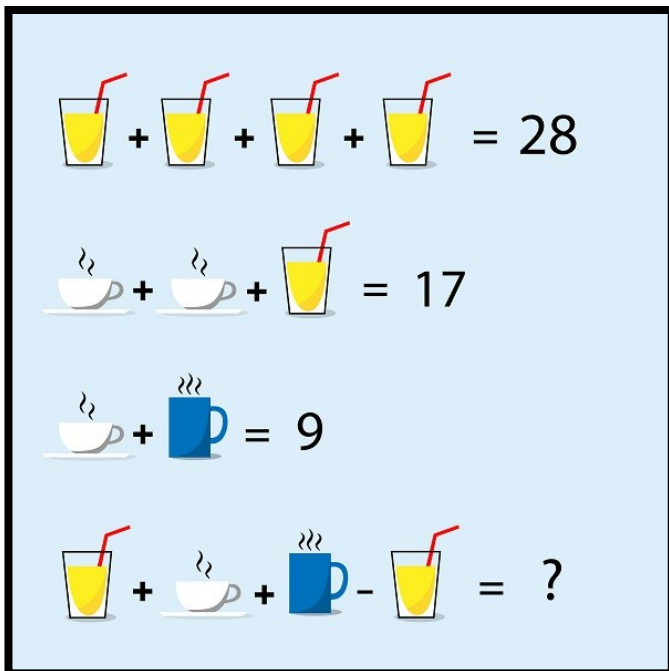

Kind regards

Headteacher

- <https://urbrainy.com/> - The 'Daily Challenge' covers maths, mental arithmetic skills for all primary schools
- <https://ictgames.com/> - Great numeracy and literacy resources.
- [www.kidsonlineworld.com](http://www.kidsonlineworld.com) - A good source of online information for parents/carers, children and professionals.

### **HALF TERMLY ATTENDANCE CLASS WINNERS**

There has been some friendly class rivalry in school this half of the term for the class who has the best attendance each week. Here is the list of weekly winners:

Week 1: Year 6 - 98.98%

Week 2: Year 3 - 97.67%

Week 3: Year 4 - 98.62%

Week 4: Year 3 - 98.33%

Week 5: Year 4 - 97.64%

Week 6: Year 3 - 96.25%

The overall winner for this half term is: Year 4 with an average attendance of 96.26%.

We are very pleased with the effort the children have made with their attendance this term, and well done to their parents too!

As you are likely aware, one of the education areas that the government is focusing on is school attendance. This is due to an increase in poor attendance since the pandemic. The following is an exert from 'working together to improve school attendance' DFE 2024

#### ***The law on school attendance and right to a full-time education***

*The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school.*

*Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.*

*This is essential for pupils to get the most out of their school experience, including their attainment, wellbeing, and wider life chances. The pupils with the highest attainment at the end of key stage 2 and key stage 4 have higher rates of attendance over the key stage compared to those with the lowest attainment.*

## **IMPORTANT SAFEGUARDING NOTICE**

### **Algospeak: The Language of Social Media and it's Impact on the English Language**

#### **What is Algospeak?**

Algospeak involves altering words by substituting letters, using euphemisms, emojis, or spacing to avoid triggering filters on sensitive topics such as mental health, politics, or controversial issues. For example, “unalive” is used instead of “suicide,” and “seggs” replaces “sex.” This coded language helps users discuss taboo or restricted subjects without censorship.

#### **Why did it develop?**

Social media platforms use algorithms to moderate content and keep communities safe. However, these algorithms often lack nuance, leading users to invent new ways to express themselves freely while avoiding automatic bans or content removal. This ongoing cat-and-mouse dynamic has fostered an evolving digital shift that is shaped by both necessity and creativity.

#### **What is the impact on children's day-to-day language?**

The rise of algospeak is significantly shaping how children and teenagers communicate, both online and offline. Since young people are among the most active social media users, they quickly adopt these coded words, phrases, and creative spellings as part of their everyday language. This blending of online language with face-to-face communication reflects how deeply digital culture influences youth identity and social interactions. Algospeak encourages linguistic creativity and adaptability. Kids learn to play with language, inventing new terms or altering existing words to express sensitive emotions or topics in a less direct and more socially acceptable way. This can help them navigate difficult conversations and build community with peers who understand the code. However, this shift also creates a communication gap between younger generations and adults - parents, teachers, and other authority figures - who may not be familiar with these evolving terms. Such gaps can lead to misunderstandings or concerns, especially when the language relates to topics like mental health or online safety.

#### **Conclusion**

Ultimately, algospeak is more than just internet slang - it reflects how social media and technology are actively reshaping the English language, especially among younger generations. By adapting language to navigate digital algorithms, kids and teens are driving a linguistic evolution that blends creativity, culture, and communication. While this new language can sometimes create gaps between generations, it also offers fresh ways to express complex ideas and emotions in an ever-changing online world. As social media continues to grow, understanding algospeak is essential for appreciating how language adapts to new challenges and how communication evolves in the digital age.

### SUPPORTING OUR LOCAL COMMUNITY

#### CRAWLEY SIGNAL BOX (BRIGHTON ROAD)

Many of you may have noticed the old railway signal box by the railway crossing at the end of Brighton Road. They often have open days where you can have a look around the signal box. It really is an interesting piece of our Crawley history and is well worth a look. It is a great experience for children (especially if you happen to be in the signal box when a train is going past). Their next open day will be on **Saturday, 20th June 2026, between 12:00 midday – 4:00p.m. but this is subject to change.** The signal box is only kept open and in such good condition due to the volunteers who give up their time to preserve it's history, so your support would be greatly appreciated. It's a lovely opportunity to make a memory with your child. Sadly one of the founder members of the Crawley Signal Box society, Jim Nunn, passed away recently after a short illness. He was a great supporter of the signal box and will be greatly missed by his family and friends.

#### TEN LITTLE TOES BABY BANK

We try to support Ten Little Toes Baby Bank when we can. They work very hard to make sure every growing family gets off to a good start. The support they give parents, carers and children is invaluable. If you are ever in a position to make a donation to them you can find out what donations would be of use by having a look on their website.

If you are ever in need and would like to ask Ten Little Toes Baby Bank for help, you can contact them in one of the following ways:-

#### JUNIOR PARK RUN AT TILGATE

Tilgate junior parkrun is a FREE 2km event for juniors of all standards, which takes place every Sunday at 9:00am in Tilgate Park,

It offers an opportunity for all the family to get involved and come together on a regular basis to enjoy Tilgate Park. They want to encourage people to run, walk, volunteer and be together irrespective of their ability.

Taking part is easy – just register in advance before your first ever parkrun. Your individual barcode can then be used for this weekly 2k event, or on any of the weekly 5k parkruns around the country.

It is a free event but Park Run ask you to please register at <https://www.parkrun.org.uk/tilgate-juniors/> before you first come along. You only need to register with Park Run once.

## **COST OF LIVING CRISIS — WHERE TO FIND HELP IF YOU NEED IT**

### **turn2us**

This website is designed to help you find out if you are able to get help with your energy bills. There are many grants out there you may not know about. Some energy suppliers have their own grant scheme in place. You can ask your supplier if they have a scheme, and what the criteria is for claiming a grant. Turn2us also has other useful links in relation to other household bills e.g. water bills. To search for grants that you may be eligible for, you can use an easy tool on <https://www.turn2us.org.uk>. Tel: 0808 802 2000

### **StepChange Debt Charity**

If you are worried about any debt, you can contact the StepChange Debt Charity for free advice on <https://www.stepchange.org>. Tel: 0800 138 1111

### **Food Banks in Crawley**

There are a number of food banks in Crawley, if you do a web search you should be able to find some details. Listed below are some contact details to help get you started:

Freeshop - [info@freeshopcrawley.com](mailto:info@freeshopcrawley.com) - Tel: 07861 907133

Crawley Food Bank Partnership (they are The Easter Team and also Crawley Open House who are working together)

Tel The Easter Team: 07940 900948/Tel Crawley Open House: 01293 447702

### **Government and Local Council Resources**

The government have an online tool to help people check the benefits and financial support they might be able to apply for. You can check at:

[www.gov.uk/check-benefits-financial-support](http://www.gov.uk/check-benefits-financial-support) you can also find help at:

[www.crawley.gov.uk/moneyworries](http://www.crawley.gov.uk/moneyworries)

Your local council may be able to help you pay for things like:

- Energy and water bills;
- Food;
- Essential items such as clothes or even an oven.

This help is known as Welfare Assistance or the Household Support Fund. Each council runs its own scheme. The help they offer, and who can get it, varies. Ask your local council if they run one of these schemes. You do not have to be in receipt of benefits to get help from your local council. If you are in receipt of benefits, they will not be affected if you get help from one of these schemes. See below for information on the WSCC Community Hub.

### **COMMUNITY HUB**

WSCC have a community hub for anyone who may need help. You can request support from the Hub, including accessing the Household Support Fund, and where to get advice.

WSCC are focused on making sure they continue to support the most vulnerable people in our community.

If your request is urgent, for example, you are going to run out of food within the next two days, please phone [033 022 27980](tel:03302227980) so that they can make sure you get the help you need as quickly as possible.

### CHANGE OF DETAILS

If any of your contact details change (address, home phone, mobile etc), please inform the school office so they can update the school records accordingly.

### MEDICATION

From time to time we will sometimes administer paracetamol to a child if they are feeling unwell, but it is not necessary to send them home. The brand we use is Calpol paracetamol 6+ (so cannot be administered to anyone under 6 years old). For this to be administered to your child you will have needed to have signed a form giving your permission. We will always telephone you to get your permission before we administer any paracetamol, but without the signed consent form we cannot administer it in any event. This is also relevant for antihistamine's. We use Piriton, but only if the parent has provided written consent and also verbal consent just before it is administered. No child is allowed to carry their own medication in school. Please speak to the school office for further advice.

### TRIM TRAIL AND TYRE TRAIL

At the end of the school day it has been noted that parents are allowing their children to play on the trim trail outside the classrooms. If you do allow your child to use the trim trail (or tyres) at drop off/collection time it is **your responsibility** to ensure they use it safely. Please keep an eye on your children at all times during drop off/collection to/from school to ensure their safety.

### UNIFORM

You can order uniform with the school loco from: [www.myclothing.com](http://www.myclothing.com) or buy it without a logo from a local supermarket/shop.

### MOBILE PHONES

Please can you remind your child that if they bring a mobile phone to school with them, they must **not** use the phone whilst on the school premises. All phones must be turned off when your child has arrived at school, and handed to their class teacher. All phones will be returned at the end of the school day.

### BIRTHDAYS AND TREATS

We love birthdays, and we love celebrating them even more! From April 2026, we ask that parents/carers no longer provide sweet treats to be shared with their child's class. Instead we will celebrate children's birthdays within the school as per the letter on the school website. All sweet treats can be shared at a child's birthday party or similar event.

### ASTHMA INHALERS/AUTO INJECTORS

If we hold an asthma inhaler or auto injector for your child, when that item is out of date we will contact you and ask you to provide us ones that are in date. **Please make sure that you provide us in date items as a matter of priority. It is for your child's safety and must be acted upon immediately.**

### FILMS AT CHRISTMAS AND EASTER (AND THROUGHOUT THE SCHOOL YEAR)

Mainly at Christmas and Easter time we will sometimes arrange for the children to watch a film as an end of term treat. The films will either be a 'U' or 'PG' certificate. We would never show a film that we judged to be inappropriate. **However, if you do not wish your child to watch a 'PG' certificate film then please let the school office know so that a different film can be chosen for your child's class to watch.**

### NO NUTS REMINDER

Please remember that we are a 'No Nuts' school. This means that no food brought into school by either children or staff should contain nuts. This includes Nutella (there are other alternative chocolate spreads available that do not contain nuts).

### FIRST AID

We have trained First Aid staff at our school setting. If you do not wish for your child to receive First Aid (non emergency) then the onus is on you as a parent/carer to inform the school of your decision.

**IMPORTANT INFORMATION**  
**CHANGE TO SCHOOL GATE OPENING**

### **THINK BEFORE YOU PARK!**

#### Safety tips for parking outside schools

When picking up or dropping off children at school, you should do the following:

Allow yourself plenty of time as the area is likely to be busy.

Do not park on zigzag lines and avoid parking opposite them.

Please be considerate of local residents and avoid blocking driveways or access ways.

Walk your child to school whenever possible and then go home and collect your car for your onward journey.

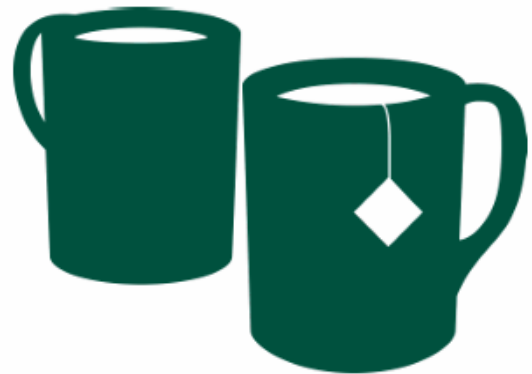

The language café is designed to support people living in local accommodation, but **everyone who would like to join is welcome**. It provides a friendly and welcoming environment where participants can practise English, build confidence, and connect with others over a cup of coffee. The Language Café is completely free to attend and has proven to be an empowering way for people to improve their English and feel more included in the community. The café will continue running until March 2027.
