Dear Parents and Carers,

Re: Year 6 Bikeability Training Course – Expression of interest

Year 6 will have the opportunity to participate in the Bikeability training course. This would usually take place after the SATS next May. Unfortunately, this is no longer a free service and the cost is £20.00 per child. If you would like your child to take part you would need to provide your child with a roadworthy bike and a cycle helmet. Without these your child would not be allowed to participate. Your child would need to be competent in riding a bike.

The purpose of this letter is to find out how many parents would like their child to join the Bikeability course. If enough children are able to participate then we will go ahead and book the Bikeability sessions. Due to the current cost of living crisis we realise that finding £20.00 is not going to be easy for everyone.

Please sign and return the form at the bottom of this page if you would like your child to take part in Bikeability. All forms to be returned to the school office by Thursday, 22nd September 2022. **Please do not make any payment at this time.**

We will write to the parents who have expressed an interest in due course to let you know if we are able to go ahead with this event.

Yours sincerely

Mr C Parry
Year 6 Teacher

✂
.....

I confirm that I would like my child (insert name):
to take part in the Bikeability week. I understand that I would have to pay the sum of £20.00 to secure my
child a space on the Bikeability course.
